## Work Experience

---

### **Consumer Loan Underwriter III (credit Analyst)**

Wells Fargo - Columbus, OH

May 2015 to June 2023

Analyzed dozens of consumer credit reports/applications daily.

Reviewed financial statements, credit histories, income reports and other information to make accurate determinations about loan decisions.

Used Excel and other data tracking tools to manage monthly portfolio of business up to 10 million dollars.

Approved, declined, or counter-offered auto loans up to \$250,000.

Retained business with dealerships by establishing rapport and relationships with finance managers delivering successful user experiences.

Identified and resolved customer and dealership loan problems with potential to negatively impacting operations management and business direction.

Thoroughly documented each loan decision based on individual and specific details of each application.

### **Collections Agent**

Wells Fargo - Columbus, OH

August 2014 to May 2015

Used skip tracing and other techniques to locate debtors.

Researched accounts and completed due diligence to resolve collection problems.

Negotiated re-payment plans by identifying causes of delinquent payments to assist in recovery of debt and meet realistic timeframes.

Reached out to approximately 60 account holders daily.

Identified and analyzed rejection patterns, partial denials and denials from third parties to improve existing processes.

## Education

---
